## DID YOU KNOW?

.....

The table was designed to be a place where families eat and share stories together. These stories have been passed down from one generation to another around the table to help kids like you understand the family history. These moments around the table helped shape identities and influenced their behavior. We hope you take advantage of spending time with your parents, grandparents or other relatives to learn about their faith journey and the significant events in their life that shaped who they are. You're going to love hearing the stories!

## AROUND THE TABLE SOAP

Start by opening your journal and putting the current date on top of the page. On the first line, write an "S." Write the Scripture reference and look it up in your Bible. On the next line, write an "O." Write what you think God is saying in this Scripture. On the next line, write an "A." Write down what you think God wants you to do about this Scripture. Once you're finished, Pray and ask God to help you live that Scripture out in your life. Listen to what He speaks to you. Once you've completed each day of the week, bring your journal back to Go Kids this weekend and get your free Silly Soda!
